

Tantrum OPEN Scholarship Referral

About Tantrum

Tantrum is the leading youth arts company in the Hunter region and a not-for-profit cooperative. We believe artistic expression is a powerful tool for young people to make sense of themselves, their community and the world around them, leading to change. Each of our workshop facilitators is experienced in leading creative workshops with young people and has their own creative practice themselves. All of our workshop facilitators have First Aid and Youth Mental Health First Aid accreditation.

About Tantrum OPEN Scholarships

Thanks to the Tantrum OPEN Scholarship program, we are able to offer young people facing disadvantage (see below for criteria) one year's free attendance to our on-site Creative Drama Workshops (valued at \$1000). This program is made possible through generous donations from individuals and businesses in our community. We ask that applications for the program are supported by a certified health, social work, or educational professional who has had an ongoing professional relationship (i.e. as a patient, client, or student – not as a family member or friend) with the applicant for at least six months.
